I would run to the convenience store and buy alcohol right away. To me, it is a sign of adulthood. When the cashier asks me if I'm over 18, I can proudly show him my identity card.

I am also curious about the taste of wine. When I was younger, I took a sip of my father's beer but I found it bitter.

Therefore, I would buy a fruit-flavoured wine, and hopefully, it will taste better.
